The agreement "signals that the federal government may be shifting its policy to focus on dispensaries in a way that furthers an expansionist approach that is contrary to federal law," said Alan J. Browne, who represents patients in that case. "The federal government can't go after patients who use these medicines, even if a dispensary offers them the medicine."

Attorney General Lori Swanson said after hours-long negotiations after hours Tuesday night that she has reached a plea agreement that will set the stage for a trial. After being served with a complaint in the lawsuit, the U.S. Attorney's Office announced Wednesday it will drop its investigation of alleged violations of state and local law after reviewing the agreement between the attorneys general of four states and the Obama administration..
