COLORS
WITH COOLORUS 2.5

The image shows a promotional graphic for the Coolorus 2.5 color picker. On the left, there is a dark purple gradient background with white text. The text includes the name 'Clenapin Soft', a website URL 'actutop10.blogspot.com', and the main slogan 'PICK PERFECT COLORS WITH COOLORUS 2.5'. On the right, there is a collage of the Coolorus 2.5 software interface. This interface features several panels: 'Sliders' and 'Mixers' for adjusting color values, a 'Scheme' panel, and two 'Coolorus 2.5' panels showing color wheels and a color triangle. The interface is dark-themed with vibrant, semi-transparent color selection tools.
